

Super Cancer Fighters: Proven Natural Remedies That Supplement Mainstream Cancer Treatments

By Bill Bodri

Top Shape Publishing, LLC, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Finally you don t have to choose between mainstream and alternative cancer therapies. There are some small things you can do at home which have very big results that complement traditional therapies. Most people hear a diagnosis of cancer and immediately think it is a death sentence because of the poor results that mainstream chemotherapy, surgery and radiation treatments typically achieve. However, there are also integrative physicians and international cancer clinics which use a combination of holistic, complementary medicine therapies to help people get well. Some of these alternative approaches have achieved genuine cancer cure rates as high as 90 , but ordinary oncologists rarely use them. If you are not being treated by an integrative physician, the question arises as to which of these extra things can you do at home to help yourself when you are on the road of mainstream cancer treatments. Certain supplemental therapies can actually make radiation or chemotherapy treatments safer and their results better. They can give you more energy and help you recover faster to feel like your...

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
