Summary: Title: 'Catholic New York' shines a spotlight Author:

Pam Robinson Publisher: Long Island Literature Examiner

Date: 11/7/09 It may seem hard to believe now, but Catholics were once a tiny and rather unwelcome minority in New York City when Dutch and then English Protestantism reigned.

"Catholic New York City" is an edifying look at the arrival and growth of the Catholic community through photos, letters, documents and handbills. As the book notes, Catholicism came early to the region with the arrival of Italian explorer Giovanni da Verrazano in 1524, but the first Catholic church wasn't built in the city until 1785. Accounts of discrimination against Catholics appear throughout the book. In one case, Col. John Fremont, a Republican candidate for president in 1856, issued a four page leaflet denying he was Catholic because his opponents spread rumors about his religious background, citing various bits of "evidence": he and his wife were married by a Catholic priest; he had once turned down a Protestant hymnal, and so on. Fremont lost out to James Buchanan. The old photos are marvelous, showing the faces, lives and...
