DURKHEIM AND FOUCAULT: PERSPECTIVES IN EDUCATION AND PUNISHMENT

Durkheim Press Ltd, United Kingdom, 2002. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. Education and punishment are two crucial sites of the disciplinary society, approached by Durkheim and Foucault from different perspectives, but also in a shared concern with what kind of society might constitute an emancipatory alternative. This collection of essays explores the issues that are involved and that are illuminated through a comparison and contrast of two social theorists who at first sight might seem an unlikely couple - Durkheim and Foucault.
