The destruction of Atlantis. Questions about human evolution. Bigfoot sightings around the world. Researchers like Erich von Daniken, Graham Hancock, Loren Coleman, and many others have raised the questions and proposed alternative theories. In *The Hunt for Bigfoot*, author Lisa A. Shiel explores her own theories to answer the age-old question--where did we come from? Did I enjoy this book? Do I recommend it? Yes to both. a good read. - Dan Fabian, *Bard s Ink In The Hunt for Bigfoot*, Katy Gallagher, website designer and would-be anthropologist, and historian Charlie Bergren scour the Earth for proof that current evolutionary theories are flawed. Their quest turns dangerous when Katy is threatened and Charlie vanishes. Katy joins forces with Charlie s son, amateur Egyptologist Rick Bergren, to find Charlie. Plunging into the depths of Michigan s north woods, they tumble into a double-edged mystery-a hidden Bigfoot society protected by an ancient race with highly advanced technology who will stop at nothing to keep their secrets and a mysterious billionaire willing, for his own reasons,...
