## ROLLIN : TRUE CONFESSIONS OF A FORMER ID THIEF

D Lanor Publishing, United States, 2005. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As identity theft continues to spiral out of control, the American public must first learn that nearly all identity crimes today comes from inside sources. The problem with identity theft today is that while it continues to escalate, we have not had any organized crime heads from the inside help show how it really works. Identity theft is the only crime America has seen that you can't infiltrate; because of the way it is structured. until now. For nearly 20 years, Ronald Hemphill recruited employees from the largest corporations in this country. Until companies are held liable for the information they handle, identity theft will continue to grow. Learn how criminals buy profiles and other information from bank and credit-reporting agency employees, and employees from any other industry you can imagine, and what is done after that information is gathered, then you will understand why we see so many security breaches that will continue to spiral upward. You will be amazed when you take this fantastic journey on the inside mind of one of the most prolific identity thieves America has seen. This book will teach you how to protect yourself and your business. You will learn: 7 How identity theft works from an insider's perspective 7 Why employees sell-out the companies they work for 7 The new wave of identity theft coming 7 Prevention methods to stop it 7 Techniques identity thieves use to help each other 7 Why company security breaches has escalated from 30,000 to 40 million potential victims in four months Ronald Hemphill is an independent consultant specializing in identity theft prevention. He is the co-founder of Identity Theft Help and...
