Excerpt: .drowned. Then came the great difficulty of getting on board of this vessel; we had to wait until a wave would lift us to the side of it, then take our turn in being hauled up to the deck by the sailors in any way by which they could get a good hold upon us. Their grip was so rough as to send us rolling over the deck, and I am not sure but what some of us were taken by the hair of our heads, judging from our disheveled condition. But we lost all thought of ourselves in our great anxiety about James; it seemed impossible to get him on board, he is so heavy, weighs two hundred and twenty-five pounds. After several unsuccessful attempts the sailors put a rope around his waist and under his arms and hoisted him on board by...
