Statistics show that half of all personal bankruptcies are caused by health care costs that families cannot anticipate or afford. Most Americans who have insurance receive the best medical care available, but the quality of care, for others, causes the deaths of an estimated 98, 000 Americans a year. The status quo is clearly unacceptable, so not acting is not an option, and I believe nearly every Member of Congress agrees. Fixing our health care system will require members of both parties and the Obama administration to put partisanship aside. Success will require leadership that ends this crisis and provides accessible, reasonable and affordable care to all Americans. Most importantly at this point in time, we need a Secretary of HHS who has the skills, experience and courage to shape and guide legislation through Congress. It will not be easy. For more than 20 years, Kathleen Sebelius has served the State of Kansas as a legislator, insurance commissioner and Governor. All of her accomplishments required bipartisan approaches. As insurance commissioner, she rooted out fraud and abuse and saved Kansas millions of dollars. She fought the sale of Blue Cross and Blue Shield of Kansas when she believed the sale would benefit insurance companies and leave patients with higher bills. As Governor, she protected prescriptions for seniors in jeopardy of losing their medication. More children in Kansas have health insurance because of her work to implement the Childrens Health Insurance Program and her work with Kansas Health Wave Initiative. Her work has earned her the respect of Democrats...
