Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lessons From a Shoemaker s Stool In the course of my wanderings I had the good luck not long ago to fall in with a very remarkable and interesting old man, James Beattie, of Gordonstone, a village of about a dozen of houses, in the parish of Auchterless, in the north-east corner of Aberdeenshire. He is a shoemaker, but has conjoined with his trade the teaching of all the children in his neighbourhood. It is remarkable how largely the shoemaking profession bulks in the public eye in this respect John Pounds, the Portsmouth cobbler, was the founder of Ragged Schools in England; and George Murray of Peterhead, also a shoemaker, formed the nucleus from which the Union Industrial Schools of that town have sprung. Many others might be mentioned. Probably scientific investigation may hereafter explain this affinity between leather and philanthropy. Mr Beattie is now eighty-two years of age. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
