Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Bayard of India: A Life of General Sir James Outram by Captain Lionel There is a tomb in the nave of Westminster Abbey which for Anglo-Indians has an effect not unlike that of Ben Jonson s tablet, with its inscription, O Rare Ben Jonson, on the lovers of English poetry. This tomb is marked by a slab on which are carved the words that form the title of this volume: The Bayard of India. The present life of General Sir James Outram by Captain L. J. Trotter, which was first published in 1903, sums up, in a characteristically direct and very lucid form, the complicated record of Outram, carrying it through some of the most vital passages in the history of India during the last century. Since it was written, the rapid evolution of new democratic ideas in the country, in some degree the product themselves of English political theory, has given a keener reflected interest to its military annals. Captain Trotter writes from first-hand experience of the life there; and his book is the first of a series of contemplated biographies, histories, and books of travel, by which it is hoped in the end to complete an Indian shelf or section of Everyman s Library. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
