Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from California Poultry Practice: Being Plain Hints for Beginners in the Rearing, Housing, Feeding, Protecting From Pests and Diseases and Marketing of Poultry Products This book is not an accident; it is born of a desire to help others to avoid the stumbling blocks in the poultry business and at the request of many readers of The Pacific Rural Press, and other papers. With forty-five years of experience with poultry it is to be expected that I have learned a few things about it; it s a poor business that does not teach lessons in that length of time. Don t you think so? There are books, yes, books without number, on poultry matters, but many of them are mostly theory. This book tells you just what I have done and how I would do it. It is a book of action, and it is action that counts these days. We have to act in the living present if we want to live. I want to live and I want others to live, too, and as...
