Forgotten Books, United States, 2015. Paperback. Book Condition: New. 236 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Conqueror and His Companions, Vol. 1 of 2* Mr. Buckland, next to whom I was sitting, and who, repeating the words with a chuckle, pulled out his pocket-book and made a note of it. The remark, however, was perfectly correct, though open to misinterpretation. The majority of the audience was composed of ladies and gentlemen of more or less cultivated tastes residing in the neighbourhood, and many of the principal inhabitants of the city with their wives and families, who listened with interest to the eloquent description of their magnificent cathedral, but to whom such technical illustration as the erudite Professor would have indulged in at a meeting of the Institute of Architects would have afforded no gratification whatever. I know from many years experience how hard it is to pull up a hobby we are riding the moment its pace is carrying us ahead of the desire or power of an audience to follow us; and the difficulty is greater in writing than speaking, as you cannot feel the effect you are producing on the reader, nor perceive the first symptoms of his weariness or inattention.
