Createspace, United States, 2011. Paperback. Book Condition: New. 210 x 136 mm. Language: English . Brand New Book ***** Print on Demand *****.A veritable classic about discipline, teamwork and leadership, Warfighting (MCDP1) is clear, concise and to the point, the book boldly explains the code of conduct and moral quality of a Marine. Whether you are in the military, a business person, project manager or a mother of three, this book will help you achieve your goals without toiling more than necessary. No recipes, just attitude. The message delivered, if taken as a how-to-book, empowers the reader to plan, fearlessly expect the unexpected and, finally, get things done. It views man (here meaning the human being) as the most valuable element and views mistakes or imperfections as virtues when properly harnessed. It is a book of strategy and one that will point out the value of each and every one of us. Not a book to be read once, but to be cherished and re-read many times and to be passed on to generations to come.
