I was basically fired from my job as a federal prosecutor in Brooklyn, although old Tarzan was too smooth to use that word. Assistant U. S. attorneys do not get fired; they move on to other opportunities. Ill say this for the Justice Department, they bury their dead, they dont leave them out as carrion. The press had missed the ugly side of the story, but a couple of police reporters were nosing around. I decided the best way to snuff their interest was to get out of New York entirely. Orphaned as a young boy and haunted by fragmentary memories of his father, Terry Mullally, the hero of Mackerel by Moonlight, nonetheless has schooled himself to success. He makes a splash as an assistant U. S. attorney in Brooklyn but leaves under a cloud of suspicion after some dicey operations in which laws are broken and money changes hands. Once he has escaped to Boston, to the safety of a white-shoe law firm, Mullally is again bitten by the political bug. Backed by a discontented police union and handled by two young politicians -- a labor organizer and a gossip columnist -- he charms and schemes his way to being elected district attorney, where the same combination of luck, smarts, and inattention to the niceties of the moral code brings success and makes him a star. The twenty daily car rides that go with holding office are eased by thoughts of Emma Gallaudette, sweet and saline, brash, brainy, and unfortunately quite married. No matter. Like many of the obstacles in Terrys path, this proves to be a short-term problem. As Emma observes, Terry is a...
