Createspace, United States, 2015. Paperback. Book Condition: New. MS Tara Taylor (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A memorable tale of two sisters, the older one a stargazer enthusiast with a passion so intense, she is driven to share all she knows about the moon and the planets, and all the star-laden galaxies of the universe with her little sister one night. It is a delightful example of a loving sisterly bond and seeing the unimaginable through a child's heart. She pulled a small jar of glitter out of her pocket and opened it. When you do see a shooting star, you must make a wish. Those can turn into blessings that fall down from Heaven later. Pouring a little into her hand, she sprinkled glitter all over Kate and Astro. Like stardust. If The Stars Were Mine, is a story that, long after the initial read, will happily live in your heart forever. For all those who have ever wished upon a star or looked out into the night sky and wondered if someone could be looking back. If The Stars Were Mine is another Life Lessons book from author Sheree Alderman. When you purchase a Life Lessons book, you can feel confident to share it with children of all ages - from 1 to 109! Life Lessons books are wholesome, engaging, and contain positive values. No adult content.
