Reader s Digest Association, United States, 2012. Hardback. Book Condition: New. 257 x 249 mm. Language: English . Brand New Book. A family record is more than of book of names, dates, and places. It is about the people who fill its pages--those whose life experiences create the story of a family, which can be passed down from generation to generation. Our Family History brings you a beautifully appointed space to capture the who, what, where, and when of your family and your ancestors--from birth of a great, great grandparent to the birth of the newest baby. This keepsake album, with ribbon closure, provides an opportunity to relay a firsthand account of your life in addition to the oral family history that is previously unrecorded; headings and prompts make it easy to record important thoughts and memories. You ll also find sturdy, decorative photo frames, which are built into the album to feature heirloom photographs and pockets to store mementos from landmark events. A family tree is included to give a visual presentation of your ancestral background. Chronicle for your family. - Detailed information on past generations - Work and community life - Family vacations - Collections and heirlooms - Favorite memories - Words of inspiration for future generations This beautifully designed album, filled with your own personal reflections, will secure your family legacy and inform your family for years to come.
