The greatest thing you ll ever learn is just to love, and be loved in return. Love, something every human shares, the desire to love and be loved. And in the 21st century, a loving relationship is even more valued. We see love movies, watching teenage vampires find a love that will last more than one lifetime. Doctors, lawyers, even secret agents with double O status, all susceptible to Cupid s arrow. There are dating websites, chat rooms, bars, and places to speed date. As we have used technology to enhance our lives, we couldn t help but put it to work in the most basic search of them all, the search for Real Love. And with the prevalence of divorce, the stakes are even higher, the challenge far greater. How can I find someone that will love me forever? And when I find that person, how should I proceed? This book is that answer. It is a guide. It is a manual on how to find someone, how to be found, and what to do once you find that person. And I trust that it will help you on your journey to find Real Love in a chaotic sexual landscape. But never give up; Real Love is possible.
