Flame Tree Publishing. Paperback. Book Condition: new. BRAND NEW, Internet Security: Take Control of Your Computer (New edition), Richard Williams, Jeffrey Keetings, We rely so heavily on the internet for communication, information, entertainment, business and personal finance that we forget that we take a risk when we enter this digital realm. A whole host of dangers lurk beneath the surface, from viruses and malware to hacking and identity theft, not to mention the threat to you and your children's reputation and personal safety, which can be compromised when interacting with others online. The book takes the reader through what to look out for and avoid, strong passwords, virus checkers and firewalls, other software solutions, how to let your kids surf safely, recovering lost data and keeping safe on smartphones, tablets and laptops as well as PCs. Internet Security Made Easy is the essential guide for all those who want to enjoy what the internet has to offer whilst remaining as safe as possible.
