Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
(Matilda Hoeger V)*

ALPHA: V. 3: LIST

Cinebook Ltd. Paperback. Book Condition: new. BRAND NEW, Alpha: v. 3: List, "Mythic", Yuri Jigounov, A document has surfaced, listing the names of American citizens who had shady dealings with the secret police of former East Germany. The CIA sends Alpha to escort its owner and his family, but some of the implicated people are influential and have a long reach, while other countries see in the list an opportunity to blackmail potential agents within the higher spheres of US power. It is a mission that will definitely not be a pleasure cruise.
