Man the homo Sapien has the unique method of thinking which does not exist in any other living being. He is a rational being who can judge between good and bad, but this judgement of good and bad depends on how his thoughts shape his personality. Even his character is the direct consequence of his thoughts. A Man finally becomes what his thoughts are or have been. The mind of a man runs in all directions and a wide variety of thoughts find their way into it. But it is very important to watch our thought processes since they influence all aspects of our life. A Man is known by his thoughts. If he is able to tame his mind and his thoughts process, he has the capacity to scale new heights. The thoughts mentioned in this book are easy and practical tips that can help you tame your thinking faculties. This book collects and presents to the reader useful thoughts on Self-improvement, Relaxation, friendship, Happiness, success, Marriage and Life.
